Our Participants

Boys and girls with a physical and/or mental disability (ages 5-adult) and siblings (ages 5-12) are invited to come together at Zoom Zone. Please note: Our volunteers are not able to handle children with severe behavioral problems (biting, hitting, running away from a group, etc.); however, a parent may work 1-1 with a child during the day.

Our Volunteer Staff

The primary reasons for our success is our volunteer staff and our low participant-to-staff ratio.

For Parents/Caregivers

During the program, you are invited to network onsite with other parents/caregivers, stay with your child for all activities or take some time for yourself.
